DEDICATION

It is a distinct pleasure for the Board of Selectmen to dedicate the 1986 Eastham Town Report to those who have so diligently and unselfishly given of their time and energies over the past year to make this town a better place in which to live. Without such contributions by your fellow townspeople our boards and commissions would not be able to function and make decisions in your behalf.

All of us owe a debt of gratitude to those currently serving and to those who have served. Whatever Eastham has been in the past and whatever it will be in the future is due and will be due to the generous attitude of those willing to serve their community. Too often such service goes unrecognized or is overlooked in the rapid pace of modern life. Such generosity must not and should not be forgotten.

REPORT OF THE BOARD OF SELECTMEN

During the calendar year 1986, your Board of Selectmen has been unusually busy addressing the everchanging situations that constantly affect a municipality.

The following review of accomplishments and projects in which the Board of Selectmen were involved during the past year will illustrate this report.

The SEMASS Solid Waste Energy Conversion Plan began construction this year initiating a timetable for Eastham to prepare to haul refuse to the Rochester plant. This will involve the construction of a transfer station, fee adjustments and engineering costs. Constant disposal area improvement and development brought about a lengthy review of user fees and landfill evaluation that will tie into the SEMASS project upon its completion. A Solid Waste Advisory Committee has been formed to assist this Board with all planning necessary to make this project a positive addition to our community life.

The Three Town Septage Facility for Orleans, Eastham and Brewster is also now under construction. Upon completion regulations regarding septage inspections and control must be in place. Two new committees are presently committed to this project which involve weekly meetings to oversee all construction details and management.

This year also saw the appropriation of four million dollars for an Elementary School addition, as well as monies to design a Library addition and Highway Barn expansion.

A Four-Town Planning Grant (Barnstable, Brewster, Harwich, and Eastham), earmarked for completion in the fall of 1987, will be a giant step in our efforts for controlled growth and affordable housing for our residents. The Open Space Committee, working on a grant, published their report to the residents addressing the future of Eastham.

Also in addressing our future as a Town, the Board of Selectmen formed the Water Resources Advisory Committee, as well as re-appointing an Open Space Committee. We are still pursuing through the State Legislature the passing of a County Land Bank Tax Regulation to enhance and possibly assist in funding.

The re-establishing of the Cape Cod National Seashore Advisory Commission by Congress was a major advancement this year. This is the strongest liaison the Lower Cape Towns have with the Federal Government. Your Board of Selectmen was deeply involved in its re-establishment after the Secretary of the Interior disbanded the Commission earlier this year.

As always, we are here to assist all taxpayers with their problems, whether they be large or small. We are here to serve and assist you.

Rudolph E. Zannoni, Chairman
Ralph L. Earle, Sr.
David B. Humphrey

BOARD OF SELECTMEN

REPORT OF THE BOARD OF ASSESSORS

On 1 January 1986, the Town of Eastham had 5,952 taxable real estate accounts and 2,548 taxable personal property accounts. Total valuations rose from \$468,763,853 as of 1 January 1985 to \$486,554,716 as 1 January 1986, an increase of \$17,790,863. Some of this increase may be rightfully attributed to growth but a larger percentage comes directly from the recent State mandated revaluation.

The Board of Selectmen held a public hearing in accordance with Chapter 369 of the Acts of 1982 on the issue of allocation of the local tax levy among the five property classes. As a result of this hearing the Board of Selectmen set a tax rate of \$7.35 per \$1,000 (\$3.45 school rate and \$3.90 general rate). This rate was certified and approved by the Massachusetts Department of Revenue on 10 September 1986.

The Board of Assessors is fortunate to have a most capable staff which consists of an Assistant Assessor who is a Massachusetts Accredited Assessor, a full time Assistant Assessor's Clerk and a part time Assistant Assessor's Clerk. They handle a rigorous work load of constantly reviewing all property sales, processing approximately 800 transfers, recomputing approximately 60 subdivision and survey plans plus 600 value changes due to building permits and previous years'

uncompleted buildings. They also processed 81 veterans' exemptions, 5 blind exemptions, 20 elderly exemptions, 1 deferred and 3 hardship exemptions plus 35 real estate abatement applications and 36 personal property abatement applications.

Most of the records of this department have been computerized to provide even better service to the community and its taxpayers.

Ralph L. Earle, Sr., Chairman
Rudolph E. Zannoni
David B. Humphrey

Chief, Property Tax Bureau	

REPORT OF THE BOARD OF HEALTH

The Board of Health, comprised of the three Selectmen, continues to take an increasingly active part in the management and supervision of all health related activities in Eastham. In this we are ably assisted by our Health Agent, the County Board of Health, the Wellfleet Home Health Agency and, on environmental matters, our Natural Resources Officer and the Conservation Commission.

The responsibility of the Board includes such diverse matters as the sanitary landfill operation, the Tri-Town Septage Treatment Facility which is presently under construction in Orleans, the review and approval of requests for construction of individual septic disposal systems, inspection of public water supplies for restaurants, motels and cottage colonies as well as all health related activities affecting the Town and its residents.

Home health care is provided under contract with the Wellfleet Home Health Agency which serves the towns of Eastham, Truro and Wellfleet. They continue to render superior service in the face of declining revenues from Medicare and other non-patient sources.

The registration program for rental properties has been instrumental in the control of overcrowding of these units. The resulting excessive use of the septic system could lead to its failure and possible contamination of the aquifer.

Research and evaluation are continuing in the CCAMP (Cape Cod Aquifer Management Project) in conjunction with the Environmental Protection Agency, the Commonwealth's Department of Environmental Quality Engineering, the U.S. Geological Service and the Cape Cod Planning and Development Commission. This in-depth study of the sources, quantity and quality of our water should be completed later this year and will provide the Town with the information necessary to make sound decisions to preserve and protect our water supplies now and for the foreseeable future.

The Board expresses it's gratitude for the assistance and cooperation of those individuals and agencies who have labored so diligently to establish and maintain the high standards of public health that we enjoy and take for granted.

REPORT OF THE TOWN ACCOUNTANT

Honorable Board of Selectmen:

I wish to express my gratitude to your Board and the various Town boards, departments and citizens for their continued support of my office. The main thrust of my work this year has been the continued computerization of the financial records and operations of the Town and the fine-tuning of the Uniformed Municipal Accounting System which was instituted in this office during the last fiscal year.

I especially wish to thank the Auditor of Record, David W. Mitchell, C.P.A., for his support during the past years; his help during the conversion to the new recording system was invaluable.

In accordance with Chapter 41, Section 61 of the General Laws, and in accordance with the General By-laws of the Town, I submit a financial report of the Town for the fiscal year ended June 30, 1986, and a listing of all unexpended balances of appropriation accounts as of December 31, 1986, in the following format:

Schedule A - Balance Sheet

Schedule B - Debt Account

Schedule C - Summary of Receipts

Schedule D - Summary of Appropriations and Expenditures

Schedule E - Appropriation Balances as of December 31, 1986

Respectfully submitted,

Carolyn C. Gifford

Motel/Boarding Houses	6
Business/Commercial	15
Inspections after Fire Loss	43
Courtesy Inspection	1
Inspection of Violations	23
Restaurants	5
Fire Prevention Presentations	3
Total Inspections Performed	624

In 1986 the dramatic build up of new residential subdivisions taxed the Inspection Department to its limits. With the increase in home building and commercial development, comes the need to upgrade our firefighting equipment. Thanks to Town Meeting, we took delivery on an excellent piece of fire apparatus, a 1986, Emergency/One, Ford/Diesel Pumper, with a 1000 gallon booster tank and 1250 gpm pump. This has greatly upgraded our firefighting capabilities and our quality of initial responses.

Although we have excellent staff in our twenty four hour coverage of the Town, we still must look to the Town of Orleans for mutual aid for Paramedic service. We seem to be the training ground for a lot of talented people who are then hired by surrounding Towns at greater rates of pay. This is something that is felt in many other areas and needs to be addressed if we are to maintain our Advanced Level Pre-hospital Care.

We consistently turn to our dedicated call force. They still are greatly needed and appreciated in a community as busy as ours.

This Department appreciates the ongoing support of the citizens of Eastham.

Respectfully submitted,

Jack Austin
Chief of the Department

NATURAL RESOURCES DEPARTMENT

Great expectations of the part of many fishermen were not realized in the scallop fishery this year. Many persons who enjoyed a bountiful harvest last year discovered that the absence of seed results in a poor crop the following year. Nothing was harvested this season in Eastham, and this was reflected in other Cape towns as well. At this time, the forecast for next season is equally poor. Littleneck and cherrystone harvest was very good this year, however.

The relay of oysters was delayed until late in the Fall, precluding the reopening of the area for harvest until Spring of 1987. While we have had no further closures of shellfish areas, Town Meeting approved the creation and operation of a modest laboratory to closely monitor the various growing areas in town.

Shellfish permits were issued as follows: A total 1,866 permits were issued; 48% to residents and taxpayers; 30% to tenants or families renting in Eastham; 2% were issued to non-tenants; 5% were issued to commercial fishermen; 14% were issued free to residents and taxpayers over 65 years of age.

Rainfall amounts continued to be below average until the last three months, when several periods of heavy storms raised the annual amount to nearly sixty inches, more than average.

The same storms were also events which marked the grounding of large numbers of pilot whales on the bay beaches. Within several weeks in December two groups of whales were beached. Attempts were made to return these animals to the sea, and this effort of a group of volunteers was met with some success. Much was learned about this type of operation, as well as physiological information on the animals themselves. A second stranding occurred later in the month, however weather and tide conditions did not permit rescue attempts on this occasion. Three of these pilot whales were transported to Wellfleet harbor and released. Efforts are continuing to organize the response by various agencies to those stranding events.

Work on the herring runs continues; increased numbers of migrating herring have been observed in those sections which have been completed.

Respectfully submitted,

Henry Lind
Natural Resources Officer

Report of the Department of Veterans Services

To the Honorable Board of Selectmen
and Citizens of the Town of Eastham

The Department of Veterans Services has experienced a most active year. We have provided benefits to those eligible veterans and their dependents under Chapter 115 MGL, have assisted veterans filling out V.A. forms, filed for disability pensions, non-connected service pensions, attended hearings representing veterans, filed applications for life insurance claims, E.V.E. D.I.C. forms and death benefits, and all other services which we are permitted to perform.

As of July 1, 1986, the Veterans Administration began to implement new eligibility assessment procedures to determine non-service connected veterans regarding medical care.

We have provided form 10-10F which determines which veterans will have to be charged a deductible.

These and numerous other services were provided, and this office will continue to provide service to all our veterans.

I also would like to once again thank the Board of Selectmen, Accountant and Town Treasurer for the support shown to this officer. This type of cooperation insures a smooth operation to benefit all.

Telephone 432-1083 for an appointment.

Respectfully submitted,

Norman E. Gill
Director of Veterans Services
Veterans Agent

Report of the Building Inspector

Fiscal '87' was the largest building year in history. We had an increase of about 9% over last year and more than doubled over a ten year period.

In Calendar 1986 we issued the following:

	Permits Issued	Fees Collected	Expend- itures	Balance Over Expenses
Building	473	\$53,542	\$37,428	\$16,114
Electric	1,245	20,195	17,720	2,475
Plumbing	297	14,672	11,493	3,179
Gas	134	2,004	1,665	339
Totals	2,149	\$90,413	\$68,306	\$22,107

It appears the hiring of contractual Electrical, Plumbing and Gas Inspectors has paid off handsomely, and put \$22,000 in the coffers, over and above all expenses, and increased the Assessed Valuation by \$18,675,923.00.

Respectfully submitted,

John H. Alexander
Inspector of Buildings
Health Agent
Zoning Commissioner

Report of the Plumbing Inspector

In 1986 we issued 290 permits, collected \$14,672.00 and have made 512 inspections.

Three mornings each week we have been available at the Town Hall to issue permits and answer questions pertaining to the State Plumbing Code.

Respectfully submitted,

Grafton Meads, Plumbing Inspector
George Ryan, Assistant Plumbing Inspector

Report of the Council on Aging

The Council on Aging has been in existence for many years as a Town Agency, assessing the needs and wishes of Eastham's Senior Citizens. It is their duty to then design and implement programs to meet these needs. As you may know, it has been operating under very inconvenient conditions in the basement of Town Hall. The physically handicapped have found it impossible to come to the C.O.A. for help when needed...and they are the people with the greatest needs. For this reason we are renting temporary ground floor space in the Eastham Methodist Church for the use of the Lower Cape Adult Day Center. This was opened in August of 1985 with the cooperative efforts of Eastham and Wellfleet Councils on Aging.

This Center services the frail, isolated and lonely elders and provides special programs for those people affected with Alzheimers Disease, Parkinsons Disease, stroke victims and any elderly who can benefit from the program. This, also, offers respite for their families who are responsible for their care the remainder of the time. There is a daily charge, based on ability to pay; for those people who cannot afford this charge, the Elder Services of Cape Cod pays their share.

The Center's staff consists of three caring members: LuAnne Dupree, Program Director, Beverly Strand, Program Assistant and Barbara Ellis, Senior Aide. There has been a slow and steady growth in the needs of this service and there is an anticipation that when they move into their new quarters in the ground floor of the new Eastham Senior Center...there will be continued growth and success.

Unfortunately, there are still many other people in Eastham who greatly need help and cannot leave their homes for many reasons i.e. infirmity, frailty, lack of transportation, etc. The Council's Outreach Program with Cecille Carpenter and Vera Matousek as Liaison Workers have been quietly and effectively developing CONFIDENTIAL help whenever possible. Sometimes it is short term...other times a continuing program. We feel that their activities will continue to grow as the senior population continues to increase but, because confidentiality is a prerogative of the C.O.A., the need and the help for these people goes unseen and unheralded.

Our many other programs (as listed below) for the more fortunate seniors will continue and will expand when the Council moves into their new building on Nauset Road.

The Council on Aging, as well as the growing population of Eastham seniors, will be ever grateful for the really **GIGANTIC** effort of the FRIENDS OF THE COUNCIL ON AGING, INC. in collecting, soliciting private funds and then actually donating hours and hours of time on the construction and the finishing and furnishing the Senior Center. It will be administered by the Eastham C.O.A. under the approval of the Selectmen.

Report of the Finance Committee

To the Residents and Selectmen of the Town of Eastham:

During the past year the Finance Committee has met on the third Thursday of each month to transact the business before the board and be available to any town department or citizen who might have questions. The committee has also held many additional meetings to review budgets and articles and make its recommendations for both the Annual Town Meeting and Special Town Meetings.

We have continued to work closely with Town Officials and Department Heads to maintain financial stability and prepare for the anticipated capital expenditures of the future. We have also endeavored to keep abreast of the work of the many committees charged with studying future needs of the town. Included in these committees are the Elementary School Building Committee, Library Study Committee, Highway Barn Study Committee, Tri-Town Septage Committee and Semass. Each and every one of these projects are extremely important to the financial future of the Town of Eastham.

The Finance Committee would like to thank all Departments, Town officials and Employees of the Town of Eastham for their continued cooperation in the preparation of their budgets.

As Chairman, I would like to thank each and every member of the Finance Committee for their loyal attendance at the committee meetings and for their many, many hours of unselfish work devoted to the Town of Eastham.

Report of the Board of Appeals

The Board of Appeals respectfully submits the following data for its activities for the year 1986.

Number of Appeals	20
Number Granted	15
Number Denied	3
Withdrawn w/o Prejudice	2

During 1986, the Board of Appeals engaged in many more "On-site" inspections than previous years. The members of the Board are to be applauded for their objectivity, thoroughness and effectiveness which has made this Board of Appeals a well respected body in this part of the Cape for which Eastham may be proud.

We also extend our Thanks to "Ed" Noulton who, through necessity, had to leave the Board. On occasion however, we may still enjoy the benefit of his wisdom.

The coming year brings with it, anticipated changes in the structuring of the Board which would make it even more effective and set an example for other Boards of Appeal.

Respectfully submitted,

V.A. Perperian
Chairman

Report of the Planning Board

To the Voters of the Town of Eastham

Our regular meetings each month included a total of 12 subdivision hearings, creating 105 new lots. In addition, there were 64 "Approval Not Required" plans submitted and signed, creating another 163 new lots - a few of which were redivisions of previous plans. It should be noted that from February through early May, 23 preliminary subdivision plans were filed indicating 252 lots - presumably to provide 8-year protection against increase in lot size proposed by petition at the Annual Town Meeting. The Board held a public hearing (required by statute) for these zoning articles, but did not support them for several reasons. It was found, for example, that one proposed change was closely duplicating an amendment passed in 1981.

Over this past year, the Board held 22 special meetings-primarily to continue work on the proposed Zoning By-Laws. In addition, the Sign Code was completely redone to comply with proposed zoning. Also, our subdivision regulations were thoroughly updated to reflect necessary procedural changes. These were adopted in May. One member of the Board conducted a so-called "complaint department" to gather ideas and input from concerned citizens to help in our deliberations on zoning revisions. After 4 redrafts, the proposed Zoning By-Laws and the Sign Code were released and printed in December. It is contemplated to hold many informal meetings prior to a formal hearing and subsequent Special Town Meeting presentation.

Other matters such as granting partial release of lots from covenants, discussion of up-coming appeals, and the 4-town affordable housing program consumed much of the Board's time. A special meeting was held with the Eastham Forum in February to discuss zoning in general and the proposed Zoning By-Laws. Throughout the year, many citizens spoke with the Board on a variety of subjects such as zoning and division of property.

Respectfully submitted,

Richard H. Nickerson, Chairman
Frank Schumann, Vice Chairman
Charles N. Deane, Clerk

James A. Badera
Susan B. Horton

Report of the Personnel Board

During 1986 the Personnel Board was restaffed, holding its first meeting with a full complement of five members on August 13, 1986

In accordance with the Town By-Laws, Job Descriptions of Town Employees were updated. Discussions with Department Heads were held, and other Communities were contacted regarding Personnel Procedures. By unanimous vote, the Board requested that the Town of Eastham join the Massachusetts Municipal Personnel Association, Inc.

In the ensuing year the Board will continue to serve the personnel regarding legal and economic changes and all relationships relating to the well being of the employees within this Community.

Respectfully submitted,

The Personnel Board

Report of the Board of Highway Surveyors

The Department of Public Works in the Town of Eastham is an important part of our existence and environment. They are responsible for the reconstruction, maintenance, sanding and snow plowing of all Town owned roads. They also maintain all our beaches, parks, cemeteries and harbors as well as the landfill and sanitary disposal areas.

During the past year they have completely resurfaced 2,150 feet of Samoset Road plus the necessary berm and apron work and the rectifying of several problem areas connected with the project. All phases of this project were totally covered by State road funds. The department also seal coated 17 roads with oil and sand.

A major purchase during the past year was a new road sweeper capable of handling all the work on our roads plus the cleaning of catch basins. Much of this work has been on a bid basis with private contractors. Ownership of equipment available at all times will facilitate the maintenance schedule.

The department added only one new employee this year. Work continues on the design of a new highway barn addition and the department will request replacements for the 1970 snow sander and the 1971 front end loader. These last two items are part of the scheduled equipment replacement program.

The Town of Eastham is fortunate to have a very capable staff in this department. They are conscientious and most responsive to your needs for which we are grateful.

Respectfully submitted,

Ralph L. Earle, Sr., Chairman
Rudolph E. Zannoni
David B. Humphrey
Highway Surveyors and Directors For Public Works

Report of the Information Booth

The information Booth once again had a successful season and was a very active place all summer. Each year our number of visitors increases for all types of information. For example in the year of 1967 our booth had 11,715 vistors in a 105 days of operation, in 1986 we had over 30,000 visitors for 107 days of operation.

We have a hard working staff who are dedicated to their tasks. We would like to remind all Eastham citizens with brochures, rentals, or other descriptive material of their services to please bring a supply to the booth so was can properly serve you.

Respectfully submitted,

Information Booth Operating Committee

Report of the Conservation Commission

The Conservation Commission's primary responsibility is the continuing protection of Eastham's wetland resource areas through the interpretation, administration and enforcement of the State Wetlands Protection Act (Mass. General Laws 131, Sec. 40) and the 1980 Eastham Wetlands Protection By-Law. In 1986 the Commission held over 85 public hearings for applicants who proposed construction or other work on or near wetlands. The Commission

holds its public hearings on the first and third Tuesday of each month (and additionally as needed to meet the time requirements specified in the General Laws) Each hearing is preceded by an on-site inspection by commissioners, who walk the property and view the location of the proposed work.

The Conservation Commission is committed to providing additional protection as needed for Eastham's precious wetland resources - our salt marshes, ponds, and ocean and bay shores and beaches - and to that end is in the process of writing specific regulations under the Town's Wetlands Protection By-Law. The Commission feels that this is of particular importance in the A C E C (Area of Critical Environmental Concern: the bay shore from First Encounter Beach south to Rock Harbor), as well as in such other sensitive environmental areas as Salt Pond, the herring run, and our eroding shorelines.

The Conservation Commission has this year reinstated the popular seedling distribution program (which was discontinued in 1984 by Town Meeting vote), and is currently discussing expanded ways of maintaining and beautifying our unique bay beaches, a project which will involve cooperation among many town boards and organizations, for the benefit of all Eastham's residents, non-resident taxpayers, and visitors.

The Conservation Commission has been consulted by the National Park Service in connection with such National seashore projects as the new bridge at Coast Guard Beach, the relocation of the Three Sisters Lighthouses, and the bicycle trail extension from Locust Road through Wellfleet. The Commission is working jointly with the Wellfleet Conservation Commission on the bike trail proposed in the Hatchet Creek area. Our concern, as always, is the preservation of Eastham's natural resources through responsible wetlands protection.

Eastham's Conservation Commission is represented on the Cape Cod Coalition of Conservation Commissions, the Barnstable County Conservation Commission, the Eastham Water Resources Committee, the Eastham Open Space Committee, and the Eastham Conservation Trust. Commissioners also attend meetings and workshops sponsored by such groups as the Massachusetts Association of Conservation Commissions, the Cape Committee, and the Association for the Preservation of Cape Cod. Locally, commissioners attend Planning Board, Board of Health, and other town board meetings whenever their deliberations affect areas under our jurisdiction. We have attended meeting and watched with great interest the progress of the Great Pond and Herring Pond studies and the Cape Cod Aquifer

Management Project (C-CAMP) as they relate to Eastham's essential water resources.

The Commission would like to remind landowners that gifts of land for conservation and or recreation would be most gratefully received. Please contact the Natural Resources Officer or the Conservation Commission office for additional information.

Respectfully submitted.

Report of the Board of Library Trustees

Melville, the cat, has fondly taken up residence in our library this year. His presence adds to the extraordinary excitement, planning and growth which have characterized 1986 at the Eastham Public Library.

The Building Needs Committee has put together a stimulating physical formula for growth into the beginning of the 21st century and the work of the library's devoted staff in the current building reflects this look forward.

Jane Eldridge, our librarian, as an involved member of the Board of Directors of the Cape and Islands Inter-Library Association, is active on the automation committee and a member of a review group working towards the automation of many libraries on the Cape. In addition, Jane has been a very important consultant to the Building Needs Committee.

Linda Barnard, our former assistant librarian, left her post at the end of August, but has continued work at the library on limited basis to help organize our data conversion project with the Boston Public Library data base to provide for faster inter-library loans. Along these lines, the library received an automation grant from the State of over four thousand dollars which includes the loan of an IBM PCXT computer to facilitate inter-library loans via computer and to streamline other office procedures.

We have been fortunate in being able to hire Fran McLaughlin as full time assistant librarian this year. Fran started her duties on October first and has the children's programming as her prime responsibility, although she is also active in the Cape and Island Library Network Project which stimulate cooperation, contact and exchanged between all Cape and Island libraries. In May, Bernadette King was elected as library trustee to replace retiring Winifred Franklin. Winnie's willing and unflagging interest in the library is sorely missed.

The library continues to benefit from the enthusiasm and support of the Friends of the Library who, among other things this year, have given significant contributions to update the present encyclopedia in the childrens' room. We are also grateful to Millicent Hartgering, who, since the beginning of last summer, has been able to take time from her life and high school studies to volunteer one day a week in the library.

In sum, the library is blessed with a very motivated staff and devoted friends who are making it one of the leaders in the Cape and Islands systems of libraries. Our circulation and support network continue to grow.

This report would not be complete without the library's heartfelt thanks and appreciation to the personnel of the Eastham Highway Department. During the needs of this past snowy winter and on the occasion of the library booksales, they have lent a hand with great good cheer, efficiency and muscle power!

Respectfully submitted,

Don Sparrow
Don Bishop
Bernadette King
Trustees

Report of the Beach Sticker Committee

The past year showed continued growth in the usage of all town-owned beaches. First Encounter continues to be our most active beach area, followed by Campground, Wiley Park, Cook's Brook and South Sunken Meadow.

We are grateful to the personnel of the department, both full-time and part-time, who staff the beaches and information booth and handle the large crowds of visitors with courtesy and dispatch.

Respectfully submitted,

Board of Selectmen

Rudolph E. Zannoni, Chairman
Ralph L. Earle, Sr.
David B. Humphrey

Report of the Eastham School Committee

1986 saw the culmination of many months' work of the Space Needs Study Committee, and the overwhelming support of townspeople for the proposed addition to our school was gratifying to the School Committee. The Committee had for years observed the increase in enrollment and the decrease in instructional areas for the various programs. With meticulous planning the improvement of the school plant will become a reality.

The School Committee wishes to welcome Robert Neely who assumed the duties of Superintendent of Schools on July 1. The members look forward to a close fruitful working relationship with him.

The School Committee extends its thanks to all citizens, town officials, Principal, staff and students of the Elementary School for working toward a common goal - a solid, well-rounded education for Eastham children.

Respectfully submitted,
Marcia Nickerson, Chairman
Carolyn Ambroult
Christine Austin
Edward Murphy

Report of the School Building Committee

The 1986 annual town meeting authorized the formation of the Eastham Elementary School Building Committee and appropriated \$30,000 for an architect to prepare preliminary drawings.

Through June and July, the Committee engaged in the selection process and, by using the criteria set forth by the Selectmen and the Building Committee, Design Partnership of Cambridge was chosen. The architect gathered data for the design by using the Space Needs Study Report, interviewing the staff, doing on-site engineering inspections, and holding weekly meetings with the Building Committee.

In September, the architect presented two design layouts to the Committee and, after careful review, we selected the design that best suits the philosophy of the school.

At the November 1986 special town meeting, the Committee presented the design, construction phasing and financial plan for the construction of the additions and renovations to the school. With the support of the special town meeting and the vote on November 18, 1986 to exempt the project from the constraints of Proposition 2½, the Committee and the architects are refining the plans and specifications for a June 1987 construction start.

Though these coming months will sometimes be difficult, the Committee is working towards the completion of an exciting new learning facility for student and community use.

Respectfully submitted,

James Badera, Chairperson
Eastham School Building Committee

Report of the Eastham Elementary School Principal

The year of 1986 proved to be an extremely busy one with the rising student population, and space and program allocations being a challenge.

The Space Needs Study Committee of 1985 became the school Building Committee. The members are James Badera, Chairperson, William Vautrinot, Edward Murphy, Donna Walsh, Dorothea Stevens, Robert Derow, Paul Bohannon, A. Francis Finnell and Daniel Shay. The town meeting provided the \$31,000 to initiate the design phase of the project. The special fall town meeting and ballot process funded the recommendation of the Building Committee to renovate and add new classrooms and support facilities.

The year 1986 earmarked a turnover in personnel. Rosemarie Kervin and Elizabeth Rattle, retired, Debbie Blake, Gail Decker and Kristine Rodanas relocated, and Emily Foster, Joan Kannegieser, Mary Johnson, Jorie Wragg, Mitchell Relin, Eleanor Chappell, and Mary McCarthy joined the EES staff.

The staff pursued inservice programs of computer literacy, CPR, substance abuse, and gifted and talented. An amateur ham radio was set up in fourth grade with the assistance of Luck Hurder, a parent.

New legislation, currently referred to as Chapter 188, provided grade 3 with a new assessment and basic skills test. The School Improvement Council, with members Elizabeth Horton, Richard LaPlant, James Packett, Mrs. Normand Plant, William Burt, Charles Hollander-Essig, and Daniel Shay, agreed to allocate funds towards the purchase of a video camera for the school.

Our Parents Group excelled in their efforts to support the school and the goals of the Space Needs and Building Committees. Their financial support of cultural events for the school was "fantastic!" The philosophy of a "family school" is reflected by the many events the parents provided to the children and staff of EES. The officers of the Parents Group are co-presidents Kathy Duffy and Linda Burt, treasurer Bonnie Rogowski, and secretary Elaine D'Esposito.

I wish to thank all the members of the Eastham town government and associates in town that assisted in the development of the building needs proposal: the school staff; members of the Parents Group, the Superintendent of Schools and his administrative staff, and the Eastham School Committee for each of their contributions which maintain the excellence of our school.

Respectfully submitted.

Daniel E. Shay, Principal

Report of the Superintendent of Schools

In this my first year as Superintendent of Schools, I am very impressed with the quality of education offered by the Nauset Schools. I believe that this high quality results from a competent and dedicated staff as well as from a supportive and concerned citizenry. Many efforts are being made to continue our high educational standards, and I mention some of them here.

This year the Region Space Needs Committee reported that there is a need for additional space and Nauset Regional Middle School. Projections indicate that the Middle School will increase from today's enrollment of 737 to approximately 885 students by the Fall of 1989, and it is necessary that we begin expansion of the Middle School immediately. Accordingly, the Regional School Committee has appointed a Building Committee consisting of representatives from the district's four towns and the school department. This Committee will hire an architectural firm and assist in designing renovations of and additions to the Middle School. If everything proceeds smoothly, the project will be completed by the Fall of 1989.

Last Spring, the New England Association of Schools and Colleges completed the evaluation of Nauset Regional High School, and I am pleased to report that our school received the maximum 10 years accreditation. The Association issued numerous commendations and also made several recommendations for improvement. We are currently in the process of implementing the recommendations.

The Eastham Building Committee, in concert with the school committee, is finalizing plans for additions to and renovations of the Eastham Elementary School. The project is scheduled to be completed by the Fall of 1988 and will be a proud addition to the Town.

District-wide our professional staff continues to actively pursue in-service training and other forms of professional development. This year the school department is offering staff development programs in such areas as Motivating the Reluctant Learner and Improving Classroom Instruction. I am very impressed with the enthusiasm and commitment that our staff has given to these programs.

A major goal of all of our schools this year has been to address the problem of drug and alcohol abuse among our students. Although the problem is no greater at Nauset than it is in any other school system it is nevertheless a problem that we must face. A Drug Task Force Committee, appointed by the school committees, has made several recommendations in areas of student discipline, curricular changes, community awareness programs, and student assistance programs, and many of its recommendations are now being implemented. While the schools cannot solve the problem of substance abuse, I am confident that our efforts can make a difference and will help to mitigate some of the substance abuse problems that we encounter in our schools and in our communities.

I close my report by urging all citizens of the district to remain actively involved in the education of our youth. Education involves a close partnership between the school and the home, and we must work together for the good of our students. I have been very pleased with the quality of the Nauset Schools, and with your support, I am confident we can continue our high standards.

Respectfully submitted,

Robert M. Neely, Supt. of Schools

Annual Report 1986

Cape Cod Regional Technical High School District

Cape Cod Tech is happy to submit this report on its activities during 1986. Two exciting things happened in January. We were pleased to accept two anonymous gifts in the amount of \$6,000 (\$5,000 and \$1,000) to create a Trust Fund to be used to purchase new "state of the art" equipment, an absolute necessity in Vocational Education. We also were notified that our school was entitled to about \$74,000 over a two-year period from the new Education Reform Bill Chapter 188.

The Community Education and Training Program staff were again successful in writing federal grants in support of our day and evening adult training programs. As of June 30, 1987, we will have received about \$650.00 for Adult Programs, 40 percent of which has been spent on the purchase of new equipment (Federal Vocational Education Funds). We have also received about \$500,000 from the Private Industry Council to operate Adult Training Programs over the last two years for which we are very grateful.

Students from nine of our shops competed in a Vocational Skills Olympic Competition at the State level, and we are very proud of their accomplishments. Ten of our students qualified for the State competition, and there were three medal winners, one gold medal.

Students from the Horticulture Department landscaped Exchange Park in Harwich as a community project, and this department received a national prize. Congratulations to all of these students.

In May, one of our most active Committee members, Tony Kent, was taken from our midst, and we truly miss his infectious spirit and dedication to this school and to the Town of Dennis. Michael Pietrowski, a graduate of our electronics department, was appointed to represent Dennis, and we welcome him to the Committee. Jerry Shostak was appointed to represent Yarmouth, and he has been a welcome addition to our Committee.

In September, we cooperated with the Ocean Edge Golf Course in Brewster to run the Special Senior Olympics, and we look forward to repeating this program next year.

In December, we held an Advisory Committee Dinner in appreciation of their support.

We invite you all to visit Cape Cod Tech during the school day to take advantage of the services we offer in our shops. If you need assistance, please call the main office at 432-4500 or 771-2600.

James Quirk, Chairman
Thomas A. Collins
Arthur C. Nickerson
Cape Cod Regional Tech
District Committee

Report of the Harbormaster

With the continued increase of boating activities at Rock Harbor, requests for slips are on the increase and the waiting list gets ever longer.

The bubbler system has been working well and has prevented pilings from being subjected to ice damage.

In 1986 a total of \$7,825.00 was taken in from thirty eight slips and four temporary docks.

Respectfully submitted,

Fred Hedlund, Harbormaster

Report of the Eastham Recreation Commission

In 1986, recreation programs in Eastham provided organized instruction and direction for over 600 participants in the following areas:

Program	Director
Baseball/Little League & Pony League	Paul Bohannon (boys)
Softball	Lisa Stubbs (girls)
Basketball	Jon Covell (boys) Roxanne Hayes (girls)
Playground Program	Leo Miller
Soccer	Jon Covell (boys)
Swimming	Mary Kofsuski

One felt need that continues throughout Eastham's recreation programming is the need for more volunteers. These people who did volunteer their time proved a truly invaluable asset, adding a clear measure of quality to the town's several recreation offerings. The Commission is grateful for this volunteer support.

The Commission also initiated some major repair work at Guild Memorial Baseball Field behind Town Hall, including new fencing and improvements to the playing field. Minor repairs were made to the surfaces of the tennis and basketball courts located at the Elementary School as well.

The Recreation Commission meets at town hall once a month and welcomes public participation. New ways to strengthen and improve Eastham's recreational efforts are needed. If you would like to see the town's programs enhanced in the year to come, meet with us and share your experience and ideas.

Respectfully submitted,

Sue Beyle, Chairman
David Brown
Elizabeth Erickson

Lisa Stubbs

Report of the Wellfleet Home Health Agency

The impact of stricter admission criteria by regulatory bodies continues to affect the delivery of health care, especially to our elderly. A reflection of this is the decline in both patients and visits. Regulatory bodies continue to place heavy emphasis on medical documentation, utilization review, and compliance audits. The staff presently spends 40% of their time doing paperwork and 60% in patient care. They will see patients feeling all the admission criteria for service has been met, only to find out months later that services have been denied. This is very discouraging and frustrating to the staff who feel their job is to deliver quality care. Patients are scared because they feel they are responsible for payment of the denied services and are hesitant to accept services when they need them again. Despite what appears to be a gloomy picture patients continue to receive quality care. The agency maintains its favorable waiver status. We recently completed our annual verification audit with no deficiencies, for this, we should be proud.

Staffing was and is a prominent issue. There was also a complete change-over in staff during the year. Some staff was reduced due to the decline in patients and visits. The part-time school nurse's hours in Eastham were increased as a result of an expanding enrollment. There remains only two full-time positions — administrator and office manager. All other positions are either part-time or contractual. It has become increasingly difficult to recruit quality help. This is primarily due to lack of personnel and inadequate pay. We are fortunate to have a dedicated and loyal staff.

Financially, the agency did very well. By reducing staff and expenses our income exceeded costs. We were able to enter the new fiscal year without a rate increase. However the fact remains that reimbursement from third party payors will continue to decline. We have looked to address this problem by developing additional sources of revenue through contracts and grants. One such endeavor is the contract with Cape Cod Hospital for the Adult Foster Care Program. A Heart Support Group is funded through grant monies from the Truro Council on Aging. An Educational Program "Caring For Elders At Home" was funded through grant monies obtained by the Wellfleet Council on Aging. These monies help pay for non-reimbursable staff time and increases programs/services to the community.

Each year, we outline agency goals. For the past three years they have been the same; housing, computerization, expansion of service area, and a Friends Group. Two of these will become a reality. The agency will relocate in July as the school needs our present space. A Friends Group is being formed as an additional support in our effort to provide quality care.

Come Join Us! We still have problems and adversities to overcome but together we can come out victorious.

Respectfully submitted,

Eileen P. Cabral, R.N., Administrator
David Crary, Chairman Advisory Board

Report of the Wiring Inspector

To the Honorable Board of Selectmen

In accordance with Sections 6 and 7 of the General Laws of Massachusetts, I submit the following report.

During the fiscal year 1986, the following inspections were made:

Temporary	107
Rough Wiring	435
Service and Meters	312
Occupancy permits	362
Advisory	9
Fire	<u>20</u>
Total	1,245
 Total Receipts	\$20,195.00

Respectfully submitted,

William Cook
Wiring Inspector

Report of the Government Study Committee

The Government Study Committee reviewed with considerable care what an Executive Secretary, appointed according to Chapter 41, Section 23A of the General Laws, might be able to do or could do. The Committee also took care to talk with the present Selectmen and their immediate predecessors, other elected Town Officials, and appointed employees and department heads. The experience of Orleans and the proposal to reorganize the government of Brewster were reviewed and discussed. Finally the voters of Eastham were invited to express their opinion at a meeting of the Committee.

It should be noted that an Executive Secretary is appointed by and under the absolute control of the Board of Selectmen who determine what his duties and authority are.

The Government Study Committee is of the unanimous opinion that an Executive Secretary position is not justified in Eastham Town Government. Briefly stated the Committee's reasons follow:

It was not evident to the Committee that there was strong public support for creation of the office.

The committee believes the current Board of Selectmen are responsive to the citizens of Eastham and are available to them and to the department heads of officers subordinate to the Board.

The present size of Eastham and the number of employees subject to the Board of Selectmen does not, in our opinion, justify creating a position between the Board and its constituency. The Chiefs of Fire and Police together supervise the largest number of employees, and would deal directly with the Board in any case.

Finally there is the old adage, "if it ain't broke, don't fix it." We believe the present government of Eastham works well, serves its citizens effectively, and is able to respond to the demands made upon it.

Two additional points should be made. First, in reference to the proposed change from the present Board of Selectmen to "a part-time Board of Selectmen", the present Board of Selectmen is, in fact, a part-time Board. Second, a change in the number of Selectmen, their terms of office, and the mode of their election cannot be made by this Board, we can only propose to elect a nine member Charter Commission to present the proposal to the Town Meeting Voters. The Government Study Committee, therefore, does not recommend to the Town Meeting any change to the current Board of Selectmen.

Respectfully submitted,

Abner K. Pratt, Chairman
Oliver Coffin, Clerk
David Brown

Report of the Eastham Golf Commission

Commission deliberations were directed to two major subjects during the year; the availability of land suitable for an 18 hole golf course and the possible effect of fertilizer and other chemicals on ground water beneath the course.

Two undeveloped parcels of land were considered. A site off Ocean View Drive, discussed in last year's report and a site in North Eastham, east of Route 6 near the northern town boundary. Town owned land at each site is substantial but insufficient for an 18 hole golf course. The Ocean View site requires a land exchange with the National Seashore and the North Eastham site would require acquisition of privately owned land. The Ocean View Drive site is the most desirable and would appear to be within the National Seashore's purpose of "recreational" use of land.

Both areas are associated with possible future Town water resources. Test wells are in place at the Ocean View Drive location. Fortunately, cooperative research involving Town, County, State and Federal resources are underway. A Barnstable-Eastham project will examine methods by which ground water can be contaminated and "inventory" existing water resources. In addition, water from many Eastham wells are being tested to define present quality. A third project to determine if fertilizer and pesticides are present. The Commission will continue to monitor these studies until final reports are available. They are expected in 1987.

Report of the The Arts Lottery Council

The Arts Lottery Council of the Town of Eastham has continued its support of local artists over the past year. Previous awards have assisted individual artists as well as making funds available to the Windmill Weekend Committee for program enrichment.

The key has always been two fold in helping the artist or group as well as serving the community. This is reflected in the three awards granted during the past year. One to George Gritzbach who received a grant for a recording project and agreed to do two concerts - a benefit for the purchase of life saving equipment plus a free concert for interested townspeople. David C. Gallagher received a grant for two concerts of chamber music - one at the Eastham Elementary School and one at Town Hall. The final award was given to Shawn Verfaile to further his music studies and to do one free concert.

Report on the Strategic Planning Grant

The Town of Eastham was the recipient of a four town strategic planning grant for the purpose of providing the proper information for the determination of need for affordable housing within the Town. The other participants with the Town of Eastham were Harwich, Brewster and Barnstable. The grant process and initial applications were filed by the Town of Harwich which controls the grant once it has been awarded. In addition, the Cape Cod Bank and Trust offered the towns of Barnstable County matching grants for basically the same purpose. With the passage of an article in the last annual town meeting for matching funds, an amount of \$5,000 was added to the account by each of the overall project.

Basically, the project is designed to garner information on each town which will determine the areas of population; density, open space, water resources, types of housing, resources, wetlands and other data vital to the decision making process. The grant covers a two year period and should be nearing completion next year. The accumulated data will also provide pertinent information for many boards and commissions as well as a housing authority.

Report of the Eastham Public Library Building Committee

Since its appointment in May 1986 the Building Committee, assisted by our Library Director Jane Eldridge, has been working to implement the Building Needs Committee recommendation that the Library building must be expanded by more than 100 percent to meet Eastham's present and future needs to the year 2005. Committee members, meeting an average of twice a month, have inspected a number of other Libraries, conferred with Tom Ploeg, the Mass Board of Library Commissioner's consultant on Library design, and interviewed architectural firms which replied to our request for proposals. In June a design and engineering contract for \$21,200, the lowest of ten bids submitted, was awarded to Gaffney Associates Hyannis, MA.

We have considered several designs prepared by Charles Deane, President of Gaffney and project leader on our assignment, and selected the one judged to be most suited to Eastham's needs. Following this, detailed designs were developed, construction drawings prepared and advertisements placed calling for bids on these documents. Open meetings have been held and architectural drawings as well as a scale model showing the layout and proportions of proposed addition have been displayed in the Library.

We believe that this Library Building expansion will best meet Eastham's requirements over the next twenty years and strongly urge that you decide to go ahead with the project.

Census Report 1986

We are very pleased with the results of our eighth year of mailing the Town Census as the response from you has been outstanding. The majority of returns were made within the time span set by this office even though once again we were asked by the Commonwealth to enclose a race question.

We mailed out approximately 1722 census forms and registered 4009 people as residents of Eastham. We have 2695 voters with 402 Democrats, 680 Republicans and 1613 Independents registered to vote in the State Primary Election.

Since we have so many new residents we once again wish to encourage any of you who may have a problem in coming to Town Hall to call us if you are in need of assistance with the census or absentee ballots. The Registrars and I will be more than happy to assist you in the comfort of your own home.

Thank you for your continuing cooperation.

Sincerely yours,

Helen Kreber, Chairman
Lillian Lamperti, Town Clerk

Annual Town Meeting Eastham - Warrant

Commonwealth of Massachusetts
Barnstable, ss.

To: Jonathan Pierpont, Officer of the Town of Eastham, in the County of Barnstable.

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of said town qualified to vote in Elections and Town affairs to meet at the Nauset Regional High School Auditorium on Monday, the Fifth day of May Nineteen Hundred and Eight Six at 7:00 o'clock in the evening, then and there to act on the following articles in this Warrant and to meet in the Town Hall at 10:00 o'clock a.m. on Tuesday, The Twentieth day of May next, then and there to elect the following Town officers:

Moderator (One Year Term)
Selectmen/Assessor/Board of Health (Three Year Term)
Selectmen/Assessor/Board of Health (One Year Unexpired Term)
Library Trustee (Three Year Term)
Planning Board (Five Year Term)
Planning Board (Three Year Unexpired Term)
School Committee (Three Year Term; Vote for Two)
Recreation Commission (Five Year Term)
Recreation Commission (Four Year Unexpired Term)
Recreation Commission (Two Year Unexpired Term)

POLLS TO OPEN AT 10:00 A.M. AND MAY CLOSE AT 7 P.M.

ARTICLE 1. To see in what manner the Town will vote to dispose of the sum of \$1,251.90 of the refunded dog tax; or take any action relative thereto.

By Eastham Library Trustees

ARTICLE 2. To see if the Town will vote to transfer and appropriate \$1,736.00 received from the Commonwealth for the use of the Eastham Public Library to be available to the Trustees for the purchase of books and audio-visual materials in conformance with provisions of Section 19A and 19B, Chapter 78 of the General Laws of the Commonwealth as amended by Chapter 636 Acts of 1970; or take any action relative thereto.

By Eastham Library Trustees

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of \$1,007.00 to be received by the Town of Eastham from the Commonwealth as listed on the 1986 "Cherry Sheet" as an anticipated receipt, to the Library Expense account; or take any action relative thereto.

By Eastham Library Trustees

ARTICLE 4. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$24,500.00 for architectural design services needed to plan for an addition to the Eastham Public Library; or take any action relative thereto.

By Eastham Public Library Building Committee

ARTICLE 5. To see if the Town will vote to authorize the Town Treasurer with the approval of the Board of Selectmen, to borrow money from time to time in anticipation of the revenue and/or reimbursements of the fiscal year beginning July 1, 1986, in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to issue a note as with General Laws, Chapter 44, Section 17.

By Treasurer

ARTICLE 6. To see if the Town will vote to authorize its Treasurer (Collector) to enter into a compensating balance agreement or agreements for Fiscal Year 1987 pursuant to Chapter 44, Section 53F of the Massachusetts General Laws, and further to raise and appropriate or transfer from available funds a sum of money to a Bank Charges Account for the purpose of paying the Fiscal Year 1987 charges anticipated on the Town's bank account; or take any action relative thereto.

By Treasurer/Collector

ARTICLE 7. To see if the Town will vote to authorize the Board of Selectmen to issue non-transferable seasonal vehicle identification stickers for use at parking lots on certain town-owned lands, as specified by the Board of Selectmen, such stickers to be issued to the

taxpayers of the Town at no cost to them, to their guests at a cost of \$10.00 for one week, \$15.00 for two weeks, \$20.00 for three weeks, \$25.00 for one month, \$30.00 for the season, and to all others at a cost of \$5.00 per day, which if purchased on Sunday will apply toward any of the above; and transfer \$69,429.00 from the Beach Fund Account for Fiscal Year 1987 for the purpose of purchasing stickers, providing clerical hire, information maintenance, and policing the specified town-owned land; and that all monies received from said stickers shall go into a fund known as the Beach Fund Account, said account to be reserved for future appropriation for beach expenses and maintenance; or take any action relative thereto.

By Board of Selectmen

ARTICLE 8. To see if the Town will vote to raise and appropriate or transfer from available funds \$346.40 for Greenhead Fly Control as authorized by Section 24, Chapter 252 of the General Laws, and authorized the Town Treasurer to pay said appropriation into the State Treasury; or take any action relative thereto.

By Board of Selectmen

ARTICLE 9. To see if the Town will vote to amend the present By-Law entitled "Vehicles on Beaches", Section 3, by deleting the date "June 30, 1986" and inserting in place thereof the date "June 30, 1987"; or take any action relative thereto.

By Board of Selectmen

ARTICLE 10. To see if the Town will vote to amend a Town By-Law pertaining to the retention of fees voted at the Annual Town Meeting of March 6, 1972; or take any action relative thereto.

By Town Clerk

ARTICLE 11. To see if the Town will vote to amend a Town By-Law, Section I, Schedule of Fees, Item #24, for issuing a Certificate of Registration as related to the keeping, storage, manufacture or sale of flammables or explosives by changing the fee from \$5.00 to \$25.00; or take any action relative thereto.

By Town Clerk

ARTICLE 12. To act on the Operating Budget, including recommendations and reports of the Selectmen, Finance Committee and other Town Officials, and to see if the Town will vote to raise and appropriate or transfer from the Federal Revenue Sharing Bank Account, the Overlay Surplus Account, Waterways Management Fund or the Olde Mill Operating Account and from other available funds and accounts, sums of money for the same; or take any action relative thereto.

By Board of Selectmen

ARTICLE 33. To see if the Town will vote to establish an Elementary School Building Committee of nine persons: the Superintendent of Schools or his designee, ex officio; the Elementary School Principal, ex officio; a member of the Elementary School Committee; a teacher in the school selected by the staff, to be a voter of the Town; a representative selected by the Eastham Elementary School Parents Group, to be a voter of the Town; three voters of the Town selected by the Moderator; and a member of the Finance Committee, ex officio; the Committee to be convened prior to June 1, 1986; and further, to raise and appropriate or transfer from available funds the sum of \$1,000.00

for the purpose of funding said committee; or take any action relative thereto.

By Eastham School Committee

ARTICLE 34. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$30,000.00 for architectural and design services for additional space at the Elementary School, to be expended under the direction of the Elementary School Building Committee; or take any action relative thereto.

By Eastham School Committee

ARTICLE 35. To see if the Town will vote to approve the acceptance by the Cape Cod Regional Technical High School District of Section 13 of Chapter 188 of the Acts of 1985 relating to a professional development grant program; or take any action relative thereto.

By Cape Cod Regional Technical High School District

ARTICLE 36. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$10,000.00 for the purpose of further accruing funds to cover the unfunded cost liability and amortization of the unfunded vested benefits incurred by the Town's participation in Barnstable County Retirement System; and further, to authorize the Board of Selectmen to direct the Treasurer to invest this sum, together with sums appropriated toward this purpose in a high-yield interest account; or take any action relative thereto.

By Board of Selectmen

ARTICLE 37. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$5,000.00 for the purpose of maintenance and repairs at Rock Harbor; or take any action relative thereto.

By Board of Selectmen

ARTICLE 38. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$3,626.00 to the Computer Equipment Expense Account for the purpose of continuing the computerization to Town functions and records; or take any action relative thereto

By Computer Study Committee

ARTICLE 39. To see if the Town will vote to be a member of the Cape Cod Regional Transit Authority; or take any action relative thereto.

By Board of Selectmen

ARTICLE 40. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$8,000.00 as the Town of Eastham's share of the expense to be paid to the Town of Orleans to put into place monitoring processes to establish base line data prior to construction, continuous monitoring during construction and throughout the operation of the Septage Treatment Plant to ensure there will be no harmful environmental effects on Namskaket Marsh, including shellfish and other marine life to be spent under the direction of the Board of Selectmen and the Board of Health; or take any action relative thereto.

By Board of Selectmen

ARTICLE 41. To see if the Town will assume liability in the manner provided by Sections 29 and 29A of Chapter 91 of the General Laws, as most recently amended, for all damages that may be incurred by the Department of Environmental Quality Engineering of Massachusetts for improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, great ponds, harbors, tidewaters, foreshores and shores along a beach (including the Merrimack and Connecticut Rivers), in accordance with Section II of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefore to the Commonwealth.

By Board of Selectmen

ARTICLE 42. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the purpose of architectural designs for an addition to the Eastham Highway Garage; or take any action relative thereto.

By Town Garage Study Committee

ARTICLE 43. To see if the Town will vote to authorize the establishment of a Highway Garage Building Committee; or take any action relative thereto.

By Highway Surveyors

ARTICLE 44. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the purpose of purchasing or lease/purchasing a Street Sweeper; or take any action relative thereto.

By Highway Surveyors

ARTICLE 45. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the purpose of hiring an additional Laborer for the General Maintenance Department; or take any action relative thereto.

By Highway Surveyors

ARTICLE 46. To see if the Town will vote to raise and appropriate or transfer from available funds or to transfer from the Stabilization Fund a sum of money for repair and maintenance of Town-owned roads; or take any action relative thereto.

By Board of Selectmen

ARTICLE 47. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the purpose of road maintenance, construction and improvements in anticipation of reimbursement of the State-aided road projects for Fiscal Year 1987; or take any action relative thereto.

By Board of Selectmen

ARTICLE 48. To see if the Town will vote to accept a grant to money under Chapter 811 of the Acts of 1985, \$33,721.00 for each of the Fiscal Years 1986 and 1987; or take any action relative thereto.

By Board of Selectmen

ARTICLE 49. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$3,600.00 for the purpose of dredging the swimming area at Wiley Park; or take any action relative thereto.

By Recreation Commission

ARTICLE 50. To see if the Town will vote to authorize the Board of Selectmen to establish an annual fee of \$10.00 for the listing of rental units with the Eastham Information Booth; or take any action relative thereto.

By Board of Selectmen

ARTICLE 51. To see if the Town will vote to authorize the establishment of a Housing Authority; or take any action relative thereto.

By Board of Selectmen

ARTICLE 52. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$17,887.71 for the purchase and equipping of a 1986 pickup truck for use by the Natural Resources Department; or take any action relative thereto.

By Natural Resources Department

ARTICLE 53. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$15,095.76 for the purchase, equipping and operation of a Harbor Patrol Boat, motor and trailer for use by the Harbormaster and Natural Resources Department; or take any action relative thereto.

By Natural Resources Department

Article 54. To see if the Town will vote to amend Section III E of the Motor Boat Bylaw passed on November 1, 1983 by substituting new wording as follows:

"No racing type motor boats or vessels, i.e. hydroplanes or jet-skis, so-called, shall be operated at any time on any fresh water pond within the Town of Eastham.";

or take any action relative thereto

By Natural Resources Department

ARTICLE 55. To see if the Town will vote to amend the Motor Boat Bylaw passed on November 1, 1983 by changing the last paragraph to read as follows"

"Violation of any of the above regulations shall be punishable by a fine of up to \$200.00 and/or loss of inspection permit with each violation constituting a separate offense.";

or take any action relative thereto.

By Natural Resources Department

ARTICLE 56. To see if the Town will vote to amend Section I of the Motor Boat By-Law passed on November 1, 1983 by substituting the following wording:

"No motor boat or vessel shall be operated on any pond other than Great Pond that has a total horsepower in excess of three (3) as defined by manufacturer's specification";

or take any action relative thereto.

By Natural Resources Department

ARTICLE 57. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$5,289.00 the purpose of establishing and operating a water quality laboratory to monitor the coastal and fresh water bodies of the Town, said laboratory to require approximately \$1,000.00 annually to continue operation; or take any action relative thereto.

By Natural Resources Department

ARTICLE 58. To see if the Town will vote to accept the provisions of Section 13 of the Massachusetts General Law, Chapter 258; or take any action relative thereto.

By Board of Selectmen

ARTICLE 59. To see if the Town will vote to adopt the following By-Law establishing an Historic District and an Historic District Commission, under the provisions of Chapter 40C, Massachusetts General Laws, as most recently amended by Chapter 168, Acts of 1975:

HISTORIC DISTRICT BY-LAW

SECTION 1. This by-law shall be known and may be cited as the Eastham Historic District By-Law and is adopted pursuant to Chapter 40C of the General Laws of the Commonwealth of Massachusetts, as Amended.

SECTION 2. Purpose: The purpose of this by-law is to promote the educational, cultural, economic and general welfare of the public through the preservation and protection of the distinctive characteristics of building and places significant in the history of the Town of Eastham or their architecture, and through the maintenance and improvement of settings for such buildings and places and the encouragement of design compatible therewith.

SECTION 3. Historic District: There is hereby established under the provisions of Chapter 40C of the General Laws a historic district to be known as the "Old Town Centre Historic District" which district shall be bounded as shown on map entitled "Old Town Centre Historic District", 1986, attached and made part of this by-law.

SECTION 4. Historic District Commission Membership: There is hereby established under Chapter 40C of the General Laws an Historic District Commission consisting of five unpaid regular members and two unpaid alternate members appointed by the Board of Selectmen, within the Town of Eastham where at least one regular member, where possible, shall be a nominee of the local historical society; at least one regular member, where possible, shall be a nominee of the Chapter of the American Institute of Architects; a third regular member, where possible, shall be a nominee of the Board of Realtors covering the area. If the above groups do not submit nominees, commission members may then be chosen from the categories as listed below. *When the Commission is first established, one regular and one alternate member shall be appointed for one year, two regular members and one alternate member shall be appointed for two years, and two regular members shall be appointed for three years. Successors shall each be appointed for a term of three years. Vacancies shall be filled within sixty days by the Board of Selectmen by appointment for the

unexpired term. In the case of absence, inability to act, or unwillingness to act because of self-interest by a member, the Chairman shall designate an alternate member of the Commission to act for a specified time. All members shall serve without compensation. The Commission shall elect annually a Chairman and Vice-Chairman from its own number and A Secretary from within or without its number.

*Additional membership suggestions: Lawyer, professional historian, residents of district, member of Planning Board, member of Conservation Commission, individuals interested in historic preservation.

SECTION 5. Duties and Powers of the Commission: The Historic District Commission shall have all the powers and duties of Historic District Commissions as provided by the Historic Districts Act, General Laws, Chapter 40C, and of subsequent amendments thereto unless specifically limited by this by-law.

A. Rules and Regulations: The Commission may adopt rules and regulations not inconsistent with the provisions of the Historic District Act.

B. The Commission may, subject to appropriation, employ clerical and technical assistants or consultants and incur other expenses appropriate to the carrying on of its work.

C. General Regulatory Powers: The Commission shall have control over new construction, reconstruction, alterations, movements and demolitions of all exterior architectural features of buildings and structures within the Historic District which are visible from any public street, public way or public park within the Historic District, except as limited by this by-law. The term "structure" includes stone walls, fences and appurtenant fixtures on lots, buildings or structures. For purposes of this by-law, any structure partially within the Historic District shall be considered wholly within the district.

D. Considerations: In passing upon matters before it, the Commission shall consider, among other things, the historic and architectural value and significance of the site, building or structure, the general design arrangement of the features involved, and the relation of such features to similar features of building and structures in the surrounding area. In the case of new construction or additions to existing buildings or structures, the Commission shall consider the appropriateness of the size and shape of the building or structure both in relation to the land area upon which the building or structure is

situated and to buildings and structures in the vicinity, and the Commission may, in appropriate cases, impose dimensional and setback requirements in addition to those required by applicable zoning by-laws.

E. The Commission may determine from time to time after public hearing that certain categories of exterior architectural features, or structures may be constructed or altered without review by the Commission.

SECTION 6. Limitations and Exemptions:

A. The Historic District Commission shall not make any recommendation or requirement with regard to new construction, reconstructions or additions except for the purpose of preventing developments incongruous to the historic aspects of architectural characteristics of the surroundings and of the historic district.

B. The following are exempt from the control of an Historic District Commission:

1. Ordinary maintenance and repair of any exterior architectural feature if such repair and maintenance does not involve a fundamental change in design and materials.
2. Any constructions, demolitions or alterations under a permit issued by a building inspector or similar agent prior to the effective date of the establishment of the district.
3. Any constructions, demolitions or alterations under orders issued by a building inspector or similar agent for the purpose of public safety.
4. Landscaping with plants, trees, hedges or shrubs.
5. Terraces, walks, sidewalks and other similar structures, including driveways or parking lots provided that the structure is at grade level.
6. Storm doors and windows, screen doors and windows, air conditioners and conventional roof-top TV antennae. (Not exempt from Commission review would be TV satellite dishes and short-wave radio antennae.)
7. The reconstruction substantially similar in exterior design of a building, structure or exterior architectural feature damaged or destroyed by fire, storm, or other disaster provided such reconstruction is begun within one year thereafter and carried forward with due diligence.
8. A. Signs used for residential occupation or professional purposes which are not more than one foot square in area are excluded from review, provided that:

1. Only one sign is displayed for each building or structure.
2. The sign consists of letters painted on wood without a symbol or trademark.
3. If illuminated, is illuminated only indirectly.
4. All signs should conform to the present Eastham Town Sign Code except as herein noted.

B. Signs used in connection with non-residential purposes which are not more than twelve square feet in area are excluded from review, provided that:

1. Only one sign is displayed for each building or structure.
2. The sign consists of letters painted on wood without a symbol or trademark.
3. If illuminated, is illuminated only indirectly.
4. All signs should conform to present Eastham Town Sign Code except as herein noted.

9. Temporary signs and structures up to thirty days.

SECTION 7. Procedures:

A. Except as this by-law provides in Section 5, no building or structure within the historic district shall be constructed or altered in any way that affects exterior architectural features unless the Commission shall first have issued a certificate of appropriateness, a certificate of non-applicability or a certificate of hardship with respect to such construction or alteration. Nor shall any building permit for demolition be issued for any building or structure within the historic district until the certificate required by this section has been issued by the Commission.

B. Applications for certificates shall be made in triplicate with the Historic District Commission. Applications shall be in the form specified by the commission, to include plans and elevations drawn to scale, detailed enough to show architectural design of the structure and its relation to the existing building, and other materials deemed necessary by the Commission. Plot and site plans should be filed when application for certificates are made for improvements affecting appearances, such as walls and fences. In the case of demolition or removal, the application must include a statement of the proposed condition and appearance of the property thereafter.

C. Within fourteen (14) days of the filing of an application for any certificate, the Commission shall determine whether the application involves any features which are subject to approval by the Commission.

D. If the application requires the Commission's review or at the request of the applicant, the Commission shall hold a public hearing, unless waived according to the provisions of Chapter 40C of the General Laws, as amended. Public notice of the time, place and purposes of the hearing shall be given at least fourteen (14) days in advance and the Commission must notify by mail affected parties as provided in Chapter 40C of the General Laws, as amended.

E. The Commission shall decide upon the determination of any application within sixty (60) days of its filing or within such further time as the applicant may request in writing.

F. A Certificate of Appropriateness shall be issued to the applicant if the Commission determines that the proposed construction or alteration will be appropriate for or compatible with the preservation or protection of the historic district. In the case of a disapproval of an application for a Certificate of Appropriateness, the Commission shall place upon its records the reasons for such determination and shall forthwith cause a notice of its determination, accompanied by a copy of the reasons therefore as set forth in the records of the Commission, to be issued to the applicant, and the Commission may make recommendations to the applicant with respect to appropriateness of design. Prior to the issuance of any disapproval, the Commission may notify the applicant of its proposed action, accompanied by recommendations of changes in the applicant's proposal which, if made, would make the application acceptable to the Commission. If within fourteen (14) days of the receipt of such notice, the applicant files a written modification of his application in conformity with the recommended changes of the Commission, the Commission shall issue a Certificate of Appropriateness to the applicant.

G. Upon request, the Commission may issue a Certificate of Non-Applicability to any applicant whose request does not require Commission approval.

H. If an application is deemed inappropriate or if application is made for a Certificate of Hardship, the Commission may issue a Certificate of Hardship if conditions especially affecting the building or structure involved, but not affecting the historic district generally,

would make failure to approve an application involve a substantial hardship, financial or otherwise, to the applicant, and approval would not involve substantial detriment to the public welfare. A Certificate of Hardship shall also be issued in the event that the Commission does not make a determination on an application within the time specified in Section 7E of this by-law.

I. Each certificate shall be dated and signed, and the Commission shall keep a permanent record of its determinations and of the vote of each member participating therein, and shall file a copy or notice of certificates and determinations of disapproval with the Town Clerk and the Building Inspector.

J. An applicant may, within twenty (20) days of the filing of the decision of the Commission with the Town Clerk, appeal to a superior court. The Commission must pay costs only if it appears to the court that the Commission has acted with gross negligence, bad faith or malice.

K. Violation of any of the provisions of this by-law shall incur a fine of not less than ten dollars (\$10.00) nor more than five hundred dollars (\$500.00), each day constituting a separate offense.

SECTION 8. The Town of Eastham shall be subject to the provisions of this by-law notwithstanding any Town By-Law to the contrary.

SECTION 9. This by-law may be amended from time to time by a two-thirds (2/3) vote of the Town Meeting subject to the procedures as set forth in Chapter 40C, Section 3 of the General Laws.

SECTION 10. In case any section, paragraph or part of this by-law be for any reason declared invalid or unconstitutional by any court of last resort, every other section, paragraph or part shall continue in full force and effect.

SECTION 11. Effective Date: Following Town Meeting approval, this by-law takes effect immediately when the following conditions have been met: (a) approval by the Attorney General of the Commonwealth; (b) filing of a map of the boundaries of the Historic District with the Eastham Town Clerk, the Eastham Building Inspector and the Registry of Deeds for Barnstable County,;

or take any action relative thereto.

By Historic District Study Committee

ARTICLE 60. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$425.00 to be used to fund an Historic District Commission Expense Account, for said Commission as established under Section 4 of the Historic District By-Law; or take any action relative thereto.

By Historic District Study Committee

ARTICLE 61. and Family Services of Cape Cod

ARTICLE 74. To see if the Town will vote to establish a Growth Policy Committee to assist in updating the 1969 Master Plan; the Committee shall be charged with setting goals and objectives, and shall begin to work after being convened by the Chairman of the Selectmen no later than July 1, 1986; the Committee shall complete its work with a report to Town Meeting 1987; the Committee shall consist of nine members, one each from the Board of Selectmen, the Planning Board, the Board of Appeals, the Conservation Commission, the Finance Committee, the Chamber of Commerce, the Eastham Forum, the Council on Aging and the Elementary School Committee, each member to be appointed by its own group; the Committee shall issue bi-monthly reports to these groups and to any interested citizens; or take any action relative thereto.

By Catherine A. Barton et al

ARTICLE 75. To see if the Town will vote to amend the Eastham Zoning By-Law by adding to the section entitled "Definitions" two additional paragraphs as follow:

"i) Lot: An area or parcel of land in undivided ownership with definite boundaries, used or available for use as the site for one or more buildings.

j) Lot Area (Lot with an Area): The contiguous horizontal area of a lot exclusive of any area of the land that is subject to either a public or private easement created by streets and/or ways, and further excluding land which is wetland (as defined in Massachusetts General Laws, Chapter 131, Section 40), including swamp, pond, bog, dry bog, fresh and/or salt marsh, areas of exposed groundwater, or land which is subject to flooding from storms and/or mean high tides.”;

or take any action relative thereto:

By Jacqueline Duffek et al

ARTICLE 76. To see if the Town will vote to amend the Eastham Zoning By-Law by deleting the present Section VI.1, “Lot Size”, and substituting the following:

“1. Lot Size: In Districts A, B, C, D and Permissive use, no single family dwelling (one family dwelling) nor any duplex dwelling shall be built on a lot with an area of less than forty thousand (40,000) square feet”.

or take any action relative thereto.

By Jacqueline Duffek et al

ARTICLE 77. To see if the Town will vote to amend the Eastham Zoning By-Law by deleting the present Section VI.2 and substituting the following:

“2. Lot Size: In Districts C and D, no business structure (structure intended for use/uses identified in Section V.2 & 2A) shall be built on a lot with an area of less than forty thousand (40,000) square feet. In the Permissive Use District, no business structure (structure intended for use/uses identified in Section V-A.a, b & c) shall be built on a lot with an area of less than forty thousand (40,000) square feet.”;

or take any action relative

By Jacqueline Duffek et al

ARTICLE 78. To see if the Town will vote to amend Section IX.1 of the Eastham Flood Plain By-Law to read:

“A. The underground storage of petroleum products including but not limited to oil, gasoline, kerosene and any hazardous materials shall be prohibited in the 100-year floodplain (zones A, AO, AH,

A1-A30, A99, V and V1-V30 on the Flood Insurance Rate Maps 25006 0001-0005, prepared by the National Flood Insurance Program for the Town of Eastham);";

or take any action relative thereto;

By Jacqueline Duffek et al

ARTICLE 79. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to add to the Stabilization Funds set forth in Chapter 40, Section 5B of the General Laws; or take any action relative thereto.

By Finance Committee

ARTICLE 80. To see if the Town will vote to transfer a sum of money from unappropriated funds in the Treasury for the purpose of stabilizing the tax rate; or take any action relative thereto.

By Board of Selectmen

ARTICLE 81. To hear the reports of committees and to do or act on anything which may legally come before this meeting.

By Board of Selectmen

You are directed to serve this Warrant by posting attested copies thereof at the Post Office in Eastham and the Post Office in North Eastham seven days at least before the date of holding said meeting.

Hereof, fail not and make due return of this Warrant and your doings thereon to the Town Clerk at the time and place of holding said meeting.

Given under our hands and seals this Eighteenth day of April in the year of our Lord, One Thousand Nine Hundred and Eighty Six.

Rudolph E. Zannoni, Chairman
Howard W. Quinn
Ralph L. Earle, Sr.

Lillian Lamperti
Town Clerk

Greetings:

In pursuance of the conditions of the foregoing warrant, I have posted attested copies at the Post Office, Eastham and the Post Office North Eastham at least fourteen days before time of said meeting.

Jonathan Peirpont, Constable

ANNUAL TOWN MEETING MINUTES MAY 5, 1986

Pursuant to the provisions of the foregoing warrant, the voters assembled in the Nauset Regional High School Auditorium, and there being a quorum present, the meeting was called to order by the Moderator, Ralph L. Earle at 7:00 p.m.

The call and service of the town meeting were read by the Town Clerk and there being no objections, the reading of the articles was omitted.

James Owens and Benjamin Bartolini were appointed tellers and sworn to the faithful performance of their duties.

ARTICLE 1. Voted: to transfer \$1251.90 of the refunded dog tax to the Library Expense Account for the purchase of books and materials for the Eastham Library.

Passed by unanimous voice vote

ARTICLE 2. Voted: to transfer \$1736.00 to the Library Expense Account for the purchase of books and materials for the Eastham Library.

Passed by unanimous voice vote

ARTICLE 3. Voted: to transfer \$1007.00 from the Commonwealth to the Library Expense Account.

Passed by majority voice vote

ARTICLE 4. Voted: to raise and appropriate the sum of \$24,500.00 for architectural design services needed to plan for an addition to the Eastham Public Library. (Sum of \$24,500.00 was amended by the Finance Committee but failed passage)

Passed by majority voice vote

ARTICLE 5. Voted: to authorize the Town Treasurer with the approval of the Board of Selectmen, to borrow money from time to time in anticipation of the revenue and/or reimbursements of the fiscal year beginning July 1, 1986 in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to issue a note or notes as

may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

Passed by unanimous voice vote

ARTICLE 6. Voted: to raise and appropriate \$5000.00 to the Bank Charges Account for the purpose of paying the Fiscal Year 1987 charges anticipated on the Town's bank accounts pursuant to Chapter 44, Section 53F of the Mass. General Laws.

Passed by unanimous voice vote

ARTICLE 7. Voted: to authorize the Board of Selectmen to issue non-transferable seasonal vehicle identification stickers for use at parking lots on certain town-owned lands, as specified by the Board of Selectmen, such stickers to be issued to the taxpayers of the Town at no cost to them, to their guests at a cost of \$10.00 for one week, \$15.00 for two weeks, \$20.00 for three weeks, \$25.00 for one month, \$30.00 for the season, and to all others at a cost of \$5.00 per day, which if purchased on Sunday will apply toward any of the above; and transfer \$69,429.00 from the Beach Fund Account for the Fiscal Year 1987 for the purpose of purchasing stickers, providing clerical hire, information maintenance, and policing the specified town-owned land; and all monies received from said stickers to go into a fund known as the Beach Fund Account, said account to be reserved for future appropriation for beach expenses and maintenance.

Passed by unanimous voice vote

There being no other business to come before the Town, the reading of the minutes was omitted with no objection and the Town Meeting was adjourned at 8:10 p.m.

A True Copy Attest:

Lillian Lamperti
Town Clerk

Once again the town has been honored and very well served by the continued service of two dedicated volunteers. We feel strongly that at this time this dedication should not go unrecognized.

For six years the expertise these persons have contributed to the town has been unique to the committee's work.

Tonight this Board is pleased to bring these facts to your attention and request that you hereby make note of the fact that tonight marks the end, because of our By-Laws, of long and sincerely dedicated work by these two men for this town.

We therefore take pleasure in commending to you, for proper recognition of six years of unfailing dedication as members of the Eastham Finance Committee.

It is my pleasure on behalf of Eastham to say - Thank you - Benjamin Bartolini and William Vautrinot.

Sincerely,

Howard W. Quinn, Chairman
Rudolph E. Zannoni
Wallace Ruckert

SPECIAL TOWN MEETING WARRANT SPECIAL ELECTION

Commonwealth of Massachusetts
Barnstable, ss.

To: Constable Thomas K. Murray of the Town of Eastham, in the County of Barnstable

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of said town qualified to vote in Elections and Town affairs to meet at the Nauset Regional High School Auditorium of Wednesday, the Twelfth day of November Nineteen Hundred and Eighty Six at 7:00 o'clock in the evening, then and there to act on the following article in this Warrant and to meet in the Town Hall at 12:00 o'clock noon on Tuesday, the Eighteenth day of November next, then and there to cast a ballot on the following question:

QUESTION #1 - Shall the Town of Eastham be allowed to exempt from the provisions of Proposition 2½, so called, the amounts required to pay for the bond issued in order to finance the construction, original equipping and furnishing of an addition to the Eastham Elementary School and the remodeling, reconstruction or making of extraordinary repairs to the existing building?

Polls to open at 12:00 Noon and may close at 7:00 p.m.

ARTICLE 1. To see if the Town will vote to transfer from available funds or borrow a sum of money for the purpose of completing the design, constructing, originally equipping and furnishing an addition or additions to the Eastham Elementary School and for remodeling, reconstructing or making extraordinary repairs to the existing facility, including costs incidental and related to the project and its financing; or take any other action relative thereto.

By Board of Selectmen

You are directed to serve this Warrant by posting attested copies thereof at the Post Office in Eastham and North Eastham fourteen days at least before date of holding said meeting.

Hereof, fail not and make due return of this Warrant and your doings thereon to the Town Clerk at the time and place of holding said meeting.

Yes 1033 No 886 Blanks 107

QUESTION 4. Do you approve of a law which was approved by the House of Representatives on May 5, 1986, by a vote of 145-0, and on which no vote was taken by the Senate before May 7, 1986? The law would require the State Department of Environmental Quality Engineering to search for sites in the Commonwealth where oil or

hazardous materials have been disposed of and take all steps necessary to clean up those sites within specified time limits. Provisions are made for informing the public about sites in their communities.

Yes 1457 No 463 Blanks 106

QUESTION 5. Do you approve of a law which was approved by the House of Representatives on October 17, 1985, by a vote of 77-62, and which was approved by the Senate on October 17, 1985? The law required all drivers and passengers to wear properly adjusted and fastened safety belts while traveling in motor vehicles on public way.

Yes 1113 No 879 Blanks 34

QUESTION 6. Do you approve of a law which was disapproved by the House of Representatives on May 6, 1986, by a vote of 56-93, and on which no vote was taken by the Senate before May 7, 1986? The law would provide a system of voter registration by mail applicable to all qualified voters and would eliminate statutory provisions permitting certain persons to vote only for presidential electors.

Yes 599 No 1325 Blanks 102

QUESTION 7. Shall the Commonwealth of Massachusetts urge the United States Congress to enact a national health program?

Yes 1409 No 517 Blanks 100

QUESTION 8. Shall the Commonwealth of Massachusetts urge the President of the United States and the United States Congress to enact a national acid rain control program which would require a fifty percent reduction in total national sulfur dioxide emissions by the year nineteen hundred and ninety-five and which would allocate the required reductions in sulfur dioxide emissions, and the costs of achieving those reductions, equitably among the states?

Yes 1634 No 289 Blanks 103

There were 2026 votes cast in this election out of a possible 2748. (74%) The largest amount of votes cast in this Clerk's recollection. The polls closed at 8:00 p.m. and the ballot box stood at 2026. The voting lists were checked and verified.
